Terms and Conditions

Whilst we do not wish to bombard you with small print, there are a couple of things that you and your party need to be aware of to make your Christmas booking. These guidelines help us to provide the high standards of service that you and your guests have come to expect.

In order to confirm your booking, we require a non-refundable deposit of £10 per head. We cannot accept responsibility for any enquiry that is not confirmed. A letter of confirmation will be issued to you once we receive your deposit. Cancellation charges apply. In the event of partial cancellation of your group, deposit refunds will only be credited against your final bill if notice is received at least 72 hours in advance. It may be necessary to seat large parties on more than one tables. Guests are required to pre-order from the Christmas menu at least 7 days prior to the date of your reservation. A discretionary service charge of 12.5% will be added to your final bill. All bills are fully itemised. Two separate bills for food and drink may be requested, but we are not able to process individual bills. Management accept no responsibility for loss or damage to personal property whilst on the premises. A smart casual dress code is encouraged. There are no cloakroom facilities. Occasionally, certain dishes and wines become unavailable at short notice due to difficulties of supply. In this event you will be contacted immediately to propose an alternative. Management reserve the right to substitute any reservation incentive promotions without notice. Management always reserve the right to refuse admission.

I have read and understood the Terms & Conditions and authorise that the above deposit amount can be debited from the credit / debit card supplied.
